

Pre-Kindergarten Screening Sessions

SOUTH of 100 Avenue NW

Join us to learn more about Pre-Kindergarten and find out if your child is eligible for the 2017-2018 program.

About Pre-Kindergarten:

- Pre-Kindergarten supports children who have a first language other than English or mild, moderate or severe delays in their development.
- Each class has a team of professionals who help children work on speech, mobility and everyday tasks like communicating and exploring their senses through play.
- There's no cost to attend Pre-Kindergarten.
- Learn more about programming and age requirements at epsb.ca/programs/earlyyears/prekindergarten.

Register for a screening

Call one of the schools below to sign up. If you live north of 100 Avenue NW, find more March dates at epsb.ca/programs/earlyyears/prekindergarten. Please register for only one session.

Screening sessions take about one hour. Using toys, books and fun activities, a Speech Language Pathologist and an Occupational Therapist will assess your child. This screening will help us figure out whether your child is eligible for Pre-Kindergarten. If your child is eligible, the decision for which school they attend will be based on your child's needs and available space.
