APPLYING TO EDMONTON PUBLIC SCHOOLS

This document contains information and identifies the forms that you will need to complete your application for employment with us.

Information regarding requirements, documentation and addresses for external organizations is included.

Our application process includes the following steps: screening of applications, selection and interviewing of successful applicants, and selection of individuals for a district applicant pool. Human Resources staff consultants then recommend applicants from this pool to principals for consideration when filling vacancies within their schools.

Applications are accepted and interviews conducted throughout the calendar year. The majority of hiring for school opening begins in May, however a number of positions become available throughout the year and offers of employment are made to members of the applicant pool as vacancies arise.

Only in exceptional circumstances are specific teaching positions within the District advertised externally. A variety of media are used, including newspapers, internet, and social media to advertise these positions.

In order for us to ensure that your application is given the consideration that it deserves, please read the following information carefully.

Should you have any questions, please feel free to contact us for assistance.
