### **BACKGROUND**

Remembrance Day is set aside to remember all those who gave their lives for the freedoms and privileges we have in this country. Many Canadians have proudly served over the years to preserve peace and freedom. During the last century, Canadian soldiers have served in World War I, World War II, the Korean War, the Gulf War, and now the war in Afghanistan as well as in many peacekeeping operations around the world. More than 118,000 soldiers have paid the ultimate sacrifice for Canada in the name of peace and freedom.

### **CURRENT SITUATION**

This afternoon, the students from Vimy Ridge Academy would like to remember and pay tribute to all those who sacrificed their lives so that we could live in peace. Vimy Ridge Academy staff and students are continually reminded that the cost of freedom has been great. Vimy Ridge students recognize and accept that they are the next generation of Canadians and that they must attend to their responsibilities and be committed to the betterment of society through the daily practice of goodwill.

The following words were taken from a speech that was found in John F. Kennedy's pocket on the day of his assassination - a speech that he never gave. He wrote:

*"We...in this generation, are by destiny rather than by choice, the watchmen on the walls of world freedom. We ask, therefore, that we be worthy of our power and responsibility. That we may exercise our strength with wisdom and restraint. And, that we may achieve, in our time and for all time, the ancient vision of: Peace on Earth and goodwill toward all man."*

Vimy Ridge Academy students have been handed a legacy. They do remember. They will not forget.

### **KEY POINTS**

The following is the sequence of events that will be followed for this afternoon's Remembrance Service (approximate time of service—20 minutes):

- Singing of O Canada (Teacher – Mr. Geoffrey Evans)
- Chairman calls meeting to order, conducts business and introduces Vimy Ridge Academy
- Importance of Remembrance (Grade 12 Student – Braden Shaw)
- In Flanders Field (Video)
- Reply to Flanders Field (Grade 12 Student – Braden Shaw)

- Dance students perform
- Pittance of Time - video
- Playing of Last Post (Bugler – Royal Canadian Artillery Band)
- Lament (Grade 12 Student – Sandy Adams)
- Two Minutes of Silence
- Playing of Reveille (Bugler – Royal Canadian Artillery Band)
- Singing of “God Save the Queen” (Teacher – Mr. Geoffrey Evans)

**“That the agenda for the October 21, 2014 board meeting be approved as printed.” (UNANIMOUSLY CARRIED)**

## **MINUTE BOOK**

### **D. Communications from the Acting Board Chair**

The Acting Board Chair advised that the theme of Read-In Week 2014, which ran from October 6<sup>th</sup> to 10<sup>th</sup>, was *Escape to New Worlds*. This annual week-long celebration, which is now in its 25<sup>th</sup> year, has expanded partner involvement, and has renewed interest and focus on the joy of reading within the entire Edmonton community. Read-In was once again a remarkable success story made possible by the support of the District's many partners, community and generous sponsors.

The Acting Board Chair advised that October 2<sup>nd</sup> was Custodial Workers Recognition Day. The District appreciates and values the members of CUPE Local 474 who ensure the District buildings are comfortable, clean and safe for students and staff and recognizes the contributions custodial staff make in supporting teaching and learning in the classroom. He also noted October 5<sup>th</sup> was World Teachers' Day, a day set aside by the world community to celebrate teachers. The District also appreciates and values its teachers and recognizes the central role they play in nurturing and guiding infants, children, youth and adults through the life-long learning process. In recognition of these days the Board of Trustees and the Administration placed ads in local and provincial newspapers.

The Acting Board Chair noted the municipal election was held a year ago today. He thanked the Administration and district staff for their assistance this past year and noted it is a great honour to serve the community.

### **E. Communications from the Superintendent of Schools**

The Superintendent noted that October 3, 2014 was the first district-wide professional development day held as part of the modified school calendar pilot (a total of five district-wide professional development days are scheduled for 2014-2015). He had the opportunity to visit a few catchment area professional development sessions that day. The district-wide professional day provides staff with the opportunity for deep, collaborative conversations. He expressed appreciation to district staff for their hard work and collaboration to ensure the success of students.

### **F. Minutes**

1. Board Meeting #2 – September 16, 2014

**MOVED BY Trustee Ip:**

**“That the minutes of Board Meeting #2 held September 16, 2014 be approved as printed.” (UNANIMOUSLY CARRIED)**

### **G. Comments from the Public and Staff Group Representatives**

There were no registered speakers for this item.

### **H. Reports**

2. Report #3 of the Caucus Committee (From the Meeting Held October 7, 2014)

**MOVED BY Trustee Janz:**

- “1. That Report #3 of the Caucus Committee from the meeting held October 7, 2014 be received and considered.” (UNANIMOUSLY CARRIED)**

**MOVED BY Trustee Janz:**

- “2. That the appointment of Trustee Michelle Draper to serve as the Board’s representative on the Mayor’s Task Force to Eliminate Poverty in Edmonton Education Working Group be confirmed.”**

Trustee Draper advised she attended the Education Working Group meeting yesterday from 4:30 p.m. to 6:30 p.m. The mandate of the Working Group was reviewed -- which is for life-long learning which fits well with the District’s work on Career Pathways. The intent of the Working Group is to develop draft recommendations by December and finalize them by January or February for submission to the Task Force. She will be seeking input from Trustees and the Administration to help inform where the most impact can be made. The next Working Group meeting will be held November 3, 2014.

**The Acting Board Chair called the question.**

**The Motion was UNANIMOUSLY CARRIED.**

## **MINUTE BOOK**

**MOVED BY Trustee Janz:**

**“3. That the approval of the following Infrastructure Committee key activities be confirmed:**

- a) Infrastructure Committee members will be participants at a key stakeholder forum exploring alternate school funding and construction opportunities. The forum is being planned and hosted by the District’s Planning Department and will be held in early winter. Participants in the forum will include Administration and elected officials representing provincial and municipal governments and Edmonton Public Schools, as well as interested community developers and builders. As more details around the forum are finalized, the Committee will keep Trustees informed, including an invitation to participate for those who wish to attend.**
- b) Infrastructure Committee members will work, in collaboration with Planning Department staff, on the development of a Board of Trustees’ advocacy plan to support the District’s Infrastructure Strategy. The key themes of the advocacy plan will be focused around:**
  - new school construction**
  - aging infrastructure**
  - challenges in mature neighborhoods**
  - sustainable, predictable capital funding for school Districts**

**The intention is to ensure Edmonton Public’s infrastructure needs and strategic direction are clearly communicated in a manner that results in the District receiving equitable support when initiatives are funded by the Province.**

- c) Infrastructure Committee members will review the City of Edmonton’s Infill Road Map document and discuss potential implications for mature neighbourhoods. The Committee’s findings from this review will be reported back to the Board.**

## **MINUTE BOOK**

- d) Infrastructure Committee members will actively engage in conversations that explore new ways of funding and constructing schools. Any potential opportunities that arise from these exploratory conversations will be brought forward to the Board for discussion and support.
- e) An Infrastructure Committee member will explore the concept of a neighbourhood association fee with key developer stakeholders. The results of this exploration will be brought back to the Infrastructure Committee for review and further consideration.”

**The Acting Board Chair called the question.**

**The Motion was UNANIMOUSLY CARRIED.**

- 3. Funds for 2015-2016 Professional Improvement Program

**MOVED BY Trustee Draper:**

**“That an allocation of \$1,000,000 from the 2015-2016 operating budget for the purpose of granting professional improvement leaves and/or tuition support for the 2015-2016 school year be approved.”**

**The Acting Board Chair called the question.**

**The Motion was UNANIMOUSLY CARRIED.**

- 4. Update on the Process to Support the Election of a Student Trustee

The Board received information on the process to support the election of a Student Trustee.

- 5. Student Transportation Average Ride Times  
(Response to Request for Information #052)

The Board received information regarding average student transportation ride times.

### **J. Other Committee, Board Representative and Trustee Reports**

Trustee Johner advised that, yesterday, she and Trustees Ip and Martin attended the first annual Environmental and Social Justice Forum at Queen Elizabeth School. The event showcased the hands-on learning and experiences of the students that occurred through such activities as video conferences which allow students to talk to people in other countries to discuss human rights, climate changes and the fight against poverty. Equally diverse environmental initiatives, such as creating food forests on school properties and sustainable gardens in the classroom and composting were also highlighted. The videos shown at the forum will be available on the District's YouTube channel. She thanked Former Trustee MacKenzie for bringing forward this initiative. She also thanked the students and staff involved.

Trustee Adams, the Board's representative on the Edmonton Public Schools Foundation Board of Governors, reported on the following events:

- Tuesday, October 14, 2014 – The Dine and Diss event for Dr. Sandra Woitas, in recognition of her service in promoting of full-kindergarten, was held and raised \$27,000 for the Foundation.
- Thursday, November 13, 2014 from 10:00 a.m. to 9:00 p.m. – The 3<sup>rd</sup> Annual *FUNdraising with Style* fundraiser at Princess Florence Handbags will take place with ten percent of the proceeds going to the Foundation. Princess Florence Handbags will also provide ten percent of their sale proceeds between November 14 and 30, 2014 to the Foundation.
- Thursday, November 27, 2014 from 5:30 p.m. at 8:00 p.m. - The South Edmonton Business Association (SEBA) will hold a fundraiser at the Century Grill with one hundred percent of the profits going to the Foundation. Tickets (\$20 each) are available [online](#).
- November 14, 2014 from 11:50 a.m. to 1:10 p.m. – A Foundation information session will be held at Mee-Yah-Noh School.

Trustee Draper noted that Confucius Day was September 27, 2014. She and Trustees Hoffman and Ip attended the Confucius Gala. She commended the presenters and the entertainers.

Trustee Draper noted the District Student Awards event was held October 16, 2014 and that she and a number of Trustees were in attendance. She added that she also attended the John D. Bracco School award celebration held on October 9, 2014. She commended the students for their excellence.

## **MINUTE BOOK**

Trustee Johner noted that she and other Trustees had the opportunity to read at various schools during Read-In Week last week. She thanked the schools who had invited her to read.

### **K. Trustee and Board Requests for Information**

Trustee Martin requested that information be provided on the advantages and disadvantages of year-round schooling, especially for at-risk students.

Trustee Janz requested that a brief summary of EPSB partnership activities with the Edmonton Public Library be provided.

Trustee Janz requested that information be provided regarding the projections on the anticipated impact the openings of future new schools in the south west will have on Brander Gardens Enrollment. What steps will be taken to ensure a sustainable school population in future?

### **L. Notices of Motion**

Trustee Janz served notice of the following motion on behalf of Trustee Hoffman:

*That information on the current minimum, maximum and average ride times for the following yellow bus service be reported annually:*

- *regular*
- *alternative programs*
- *special needs*
- *early education*
- *conditional riders*

### BACKGROUND

Dr. Sangita Sharma, Endowed Chair in Aboriginal Health and Centennial Professor/Professor in Aboriginal and Global Health Research at the University of Alberta, conducted a research project with nine district schools examining nutrition habits of self-identified First Nations, Métis and Inuit (FNMI) youth. Dr. Sharma will present her research findings at the November 4, 2014 board meeting.

Professor Sharma, PhD, is an internationally known expert in dietary assessment and nutritional risk factors for disease in unique populations spanning the globe, from the Canadian Arctic to the Caribbean. With over 18 years of experience, Dr. Sharma has worked with many populations in Canada and the United States including: Inuit, Inuvialuit, First Nations, Apache, and Navajo. Additionally, she has worked internationally in countries such as England, Cameroon, Jamaica, Barbados, Trinidad, Brazil, Indonesia, and Nepal. Her work combines nutritional sciences, epidemiology, health promotion, and community-based interventions, with a focus on the development of dietary assessment methodologies for diverse populations. Research has been multidisciplinary, including the relationship between diet and disease, nutrient-gene interactions, ethnic differences in health outcomes, and the development of nutritional and lifestyle intervention programs to promote health.

Some of Dr. Sharma's recent publications include:

- ["Impact of the changing food environment on dietary practices of an Inuit population in Arctic Canada"](#) *Journal of Human Nutrition and Dietetics*, Volume 23, Issue Supplement S1, pages 18-26, Oct. 2010.

**ISSUE**

Notice of motion was served at the October 21, 2014 board meeting.

**RECOMMENDATION**

**That information on the current minimum, maximum and average ride times for the following yellow bus service be reported annually:**

- **regular**
- **alternative programs**
- **special needs**
- **early education**
- **conditional riders**

**BACKGROUND**

In the fall, news stories are often run about bus ride times in a variety of school districts. Trustees regularly ask for information on an ad-hoc basis regarding transportation ride times for a variety of programs. Having this information presented publicly on an annual basis would enable the Board to consider the facts surrounding ride times, their trends and any concerning or promising data in a consistent public fashion. The Board does review fees on an annual basis and this would enable the Board to review the evidence regarding levels of service in the same fashion to help inform strong decision making.

**RELATED FACTS**

Since 2008, four different requests for information have been provided by the Administration regarding bus ride times -- links to these documents are included in the REFERENCE section above. When staff can anticipate an annual cycle to their work they can plan accordingly, prepare templates and provide information that provides a reliable comparison.

**OPTIONS CONSIDERED**

The following options have been considered as they are deemed the most admissible:

1. Provide Board direction to review yellow bus ride times annually.
2. Continue the practice of trustees asking for transportation ride time reports when desired through the Request for Information process.
3. Request ride time reports on a more frequent basis than once per school year.
4. Request information regarding all types of ride times including the Edmonton Transit System.

**NEXT STEPS**

The Administration will determine, when in the 2015-2016 school year, the information report on transportation ride times would be included on the public board agenda. The Administration will also determine how this information should be presented in an effort to achieve the outcomes as outlined in the motion.

Trustee Johnner, ASBA Issues and Resolutions Committee

**SUBJECT:** Policies Bulletin for the Alberta School Boards Association (ASBA)  
2014 Fall Annual General Meeting

**RESOURCE  
STAFF:** Jennifer Allen, Cheryl Hagen, Anne Sherwood

---

**ISSUE**

The Alberta School Boards Association (ASBA) Fall General meeting is being held Monday, November 17, 2014. The Board is to adopt a voting position, prior to the meeting, on proposed policies that will be presented to the membership for vote at the meeting.

**RECOMMENDATION**

**That the Board's position, as proposed by the Alberta School Boards Association (ASBA) Issues and Resolutions Committee in Attachment I, with respect to each of the Alberta School Boards Association proposed policy positions and the emergent resolution be approved.**

**BACKGROUND**

The ASBA Policies Bulletin (Attachment II) contains the proposed policies for consideration by member boards, and background information to each of the four proposed resolutions. The Board's ASBA Issues and Resolutions Committee has reviewed and analyzed the three proposed policies and proposed emergent resolution and provided their recommendations and rationale outlined in Attachment I.

**KEY POINTS**

Rules of Procedures Section 12.3.1. of the ASBA Policies Bulletin (page 2) states: *The Chair of each Full Member Board has the power to cast the vote to which each Full Member is entitled, unless another Trustee for that Board s designated, in writing, to the Executive Director, prior to the General Meeting, or in an emergency situation, by the Full member board at the General meeting.* Board Chair Hoffman will be attending the meeting and will cast the votes on behalf of the Board.

**CONSIDERATIONS & ANALYSIS**

The ASBA Issues and Resolutions Committee discussed each of the proposed policies and emergent resolution and considered input from administrators from several departments.

For consistency, the Committee determined it would be best that the Board Chair serve as the Board's spokesperson in speaking to motions, introducing amendments, and posing questions to the Minister. Additional Trustees, during debate, may be asked by the Board Chair to supplement the Board Chair's remarks. Should Trustees present have questions about a matter and the majority of Trustees are in agreement, the Board Chair will speak on behalf of the Board. There will be a collaborative discussion at the meeting should there be any new business arising.

**NEXT STEPS**

The Board's ASBA Issues and Resolutions Committee has reviewed the proposed ASBA policies and will report to the November 4, 2014 board meeting to confirm the Board's position on each of the proposed resolutions in the November 2014 ASBA Policies Bulletin.

The Board Chair will cast the votes on behalf of the Board, following ASBA Rules of Procedure, at the business session of the ASBA Fall General Meeting on November 17, 2014.

PROPOSED POLICY POSITIONS  
NOVEMBER 2014**

**1P/FGM14: *Excellence in Education* (Page 11 of Policies Bulletin)**

Alberta's locally-elected school boards are entrusted with the responsibility to deliver excellence in public education and to ensure all students receive the best possible education.

As locally-elected governors of the system, responsive to their communities, school boards welcome further dialogue on how excellence can be assured in every classroom and how current barriers to excellence can be addressed proactively and collaboratively.

The guiding principles, or lenses which guide school board advocacy with respect to transformation of the education system require that recommendations and resulting decisions:

1. Are student-centered and provide enhanced opportunities for student success;
2. Are financially sustainable now and in the future; and,
3. Retain flexibility for school boards, as employers, to shape the delivery of education in order to meet the needs of their local communities.

Where the attainment of excellence requires transformation, school boards require that such

*Submitted by: ASBA Board of Directors*

**RECOMMENDATION: SUPPORT**

**EPSB Rationale:**

The proposed guiding principles for recommendations and decisions regarding the transformation of the education system aligns with the District's values of:

- Equity - student-centred decision making
- Accountability - sustainable funding now and into the future
- Integrity - maintaining the autonomy of local school boards
- Collaboration - working to address changes to the education system

## 2P/FGM14: Weighting of provincial diploma examinations (Page 13 of Policies Bulletin)

The appropriate weighting of Provincial Diploma Examinations is thirty percent (30%) of a student's final mark.

*Submitted by: St. Thomas Aquinas Roman Catholic School Division No. 38*

### **RECOMMENDATION: SUPPORT**

#### **EPSB Rationale:**

- In a classroom setting, teachers are able to assess the entire range of curricular outcomes. Diploma exams are only able to measure a portion of the curricular outcomes. With a lower weighting for diploma exams (30% instead of 50%), a student's final mark can more fully reflect the entire set of outcomes. For example, the English Language Arts curriculum is divided into 5 General Outcomes, each of which must be considered through six strands: Reading, Writing, Viewing, Representing, Listening, and Speaking. There is no opportunity, on the current Diploma exam, to assess a student's Speaking or Listening or Representing.
- In a classroom setting, teachers are able to assess students in a variety of ways (as they are required to [Board Policy GK.BP – Student Assessment, Achievement and Growth](#) and [Administrative Regulation GKB.AR – Standards for Evaluation](#)). Some students are not able to demonstrate their understanding as well on an exam as they are in other ways because of such things as test anxiety, language barriers, etc.
- A diploma exam measures what a student knows on one particular day. Classroom based assessment is able to measure what a student knows and is able to demonstrate over time.
- Alberta Education (Inspiring Education) continues to place more emphasis on competencies and competency based assessments. This will require a shift in assessment practices as it is much more difficult to assess some competencies on an examination; for example, the competencies are outlined in the Ministerial Order on Student Learning and include things such as:
  - knowing how to learn
  - innovating
  - creating opportunities
  - demonstrating good communication skills and working cooperatively with others
  - identifying and applying career and life skills

These types of competencies do not translate to multiple-choice or numeric responses.

- While standards for classroom assessment are not always consistent from school to school or from classroom to classroom, the district continuously works to become more consistent in this area through ongoing work in the area of assessment.

### 3P/FGM14: Needs-based funding for public rural schools (Page 17 of Policies Bulletin)

Public rural schools should be provided needs-based funding rather than per capita funding to ensure quality education within reason.

*Submitted by: Wetaskiwin Regional Public Schools*

#### **RECOMMENDATION: OPPOSE**

#### **EPSB Rationale:**

The Committee believes that current ASBA Policy Position Statement [Education Finance](#) (Section 6-1 of [ASBA Governance Handbook](#)) already addresses adequate, stable, predictable, funding to support programming for all students served by the public education system.

#### **4EM/FGM14: *Funding new school and modular start-up costs* (Page 18 of Policies Bulletin)**

Funding that will completely support all startup costs incurred when opening new schools and modulars should be provided to school boards.

*Sponsored by: Calgary Roman Catholic Separate School District No. 1*

*(NOTE: EPSB has agreed to second the emergent resolution at the annual meeting.)*

#### **RECOMMENDATION: SUPPORT**

#### **EPSB Rationale:**

The Committee noted that this resolution was brought up at Metro Board Chairs meeting as an item of joint advocacy that would benefit metro boards as well as all school boards across the province.

The resolution was considered emergent because of the timing of the new provincial budget cycle and the large number of new schools recently announced.

# Rules of procedure

---

In order to expedite the resolutions process at general meetings, it is necessary to approve certain rules of procedure. Some of these may be specific parliamentary procedures, as in Robert's Rules of Order, while others are less formal and reside with each individual in the interests of courtesy, cooperation, and respect for all concerned as well as for the business at hand.

## Procedural Steps

1. The proposed motion shall be read by the chair who will immediately ask for a mover and a seconder.
2. As soon as the proposed motion has been moved and seconded, the chair shall call upon the mover to speak to the motion. The mover shall have three minutes to speak.
3. The chair shall ask if any delegate wishes to speak against the proposed motion. If no delegate so wishes, the question will be immediately called.
4. If there is evidence of opposition, debate shall subsequently continue until the question is called in the usual manner. The mover will have the right to be the final speaker in the debate and shall have three minutes to close.
5. A delegate wishing to speak to a motion shall first obtain recognition by the chair and clearly announce his/her name and school jurisdiction represented.

6. A delegate wishing to speak to a motion shall limit remarks to a maximum of two minutes.
7. Any delegate speaking to a motion shall be allowed to speak as often as the chair, in his or her discretion, will permit.
8. Guests shall be permitted to speak at the discretion of the general meeting delegates, but not be permitted to move or second a motion, or vote.

## Amendments

9. A delegate may, at any time during the debate on a motion, move an amendment to the motion, providing it is relevant to, and deals with, the same subject matter as the original motion. A motion to amend must be seconded. The mover shall have three minutes to introduce the amendment.
10. An amendment of a substantive nature to a motion shall be submitted in writing on a specific form requiring the number of the resolution it is proposed to amend, the amendment, the motion as it will read when amended, the proposer's and seconder's name, and their respective school jurisdictions.
11. Amendments of a minor editorial nature may be handled by the process of general consent outlined in Robert's Rules of Order.

## Voting

12. Voting shall be conducted according to the Alberta School Boards Association Bylaws. For ease of reference, Bylaw 12.3 is set out as follows:

12.3.1 The Chair of each Full Member Board has the power to cast the vote to which each Full Member is entitled, unless another Trustee for that Board is designated, in writing, to the Executive Director, prior to the General Meeting, or in an emergency situation, by the Full Member Board at the General Meeting.

12.3.2 Unless otherwise required by these Bylaws or the approved rules of procedure governing disposal of resolutions, all Substantive Motions will be determined under the double majority voting method, as follows:

12.3.2.1 Sixty percent or more of Full Member Boards who are in attendance, who cast a vote, and who vote in the affirmative, based upon one vote per Full Member Board; and

12.3.2.2 Full Member Boards who are in attendance, who cast a vote, and who vote in the affirmative, represent 60 percent or more of the Students registered for the most recently reported period with Full Member Boards who voted in the affirmative.

12.3.3 For the purposes of Section 12.3.2.2, the percentage of Students enrolled in a Full Member Board shall be determined by:

12.3.3.1 Utilizing the total student enrollment figures for the most recent reporting period, as published by Alberta Education; and

12.3.3.2 Dividing the number of students enrolled in each Full Member Board by the total number of students enrolled in all Full Member Boards in attendance, who cast a vote,

resulting in a percentage (rounded to the nearest 0.1 percent).

- 12.3.4 Results of the voting on Substantive Motions shall indicate how each Board cast its ballot.
- 12.3.5 Parliamentary motions and amendments to motions will be determined on the basis of one vote per Full Member Board and by a majority of the votes cast, unless otherwise required by Robert's Rules of Order or the approved rules of procedure governing disposal of resolutions.
- 12.4 A balloting committee shall be appointed at the opening of every General Meeting. It is the duty of the balloting committee to conduct the ballot voting.

### Budget

- 13. With respect to the budget, the following excerpt from the Alberta School Boards Association Bylaw 13.3 shall apply:
  - 13.3 Notwithstanding any provisions to the contrary in these Bylaws, or in the approved rules of procedure governing disposal of resolutions, the budget shall be open to amendment until adopted.

### Elections

- 14. With respect to the election of the president and vice-president, the following excerpts from Bylaw 5.3 shall apply:
  - 5.3.1 Election of the President and the Vice-President shall take place at a General Meeting of the Association, normally at the Fall General Meeting immediately following a General Election, and two years following (i.e. November of odd-numbered years).
  - 5.3.2 Nominations shall be made from the floor and shall require a seconder.
  - 5.3.3 Voting shall be by secret ballot on the basis of one vote per Full Member Board in attendance.
  - 5.3.4 The candidate receiving the greatest number of votes will be the successful candidate. Announcement of results shall be limited to identifying the successful candidate.
  - 5.3.5 The President and Vice-President shall take office at the conclusion of the General Meeting at which they are elected.
  - 5.3.6 Notwithstanding Bylaw 5.1.2, in the year of a General Election, if the President does not run for the office of trustee or is defeated in the General Election, the President may

complete his/her term of office through to the election of the new President at the General Meeting.

#### Bylaw Amendments

15. With respect to amendment of the Bylaws, the following excerpts from Bylaw 14 shall apply:

14.1 Amendments to these Bylaws shall be made at a General Meeting, normally at the Spring General Meeting unless otherwise permitted by the Board of Directors.

14.2 An amendment to these Bylaws shall take effect on the day following the conclusion of the Spring General Meeting at which such amendment is made, unless an effective date other than the close of the Spring General Meeting is specified in the resolution.

14.3 At least sixty days Written Notice of any Bylaw amendment shall be provided to each Full Member.

#### Extraordinary and Emergent Resolutions

16. Adoption of extraordinary or emergent resolutions shall be governed by the following excerpts from the ASBA Governance Handbook, Board of Directors' Governance Policy 10 – Association Policy Development Process:

#### 10.3 Extraordinary Policy Positions

A position shall be accepted for consideration as an Extraordinary Policy Position if:

3.1 The position arises out of the business of the General Meeting,

3.2 Consideration of the position is supported by a two-thirds majority of voting Full member Boards, and

3.3 The mover makes available the wording of the position to all delegates.

#### 10.4 Emergent Policy Positions

4.1 Emergent positions submitted by the membership for consideration at a General Meeting shall be submitted to a committee of the Board of Directors by 4:00 p.m. on the twenty-eighth (28) day prior to the first business day of a General Meeting.

A committee of the Board of Directors shall assess each emergent position to determine its compliance with the principles for Association policy. A Committee of the Board of Directors shall:

4.1.1 Reject positions that address issues which have arisen prior to the deadline for

submission of  
positions; and

Full member Boards,  
and

4.1.2 Cause to be  
announced,  
immediately after the  
emergent position has  
been placed on the  
floor of the General  
Meeting, rationale for  
and decisions reached  
regarding compliance  
of the proposed  
emergent resolution  
with the principles for  
Association policy.

4.3.2 The mover makes  
available the wording  
of the policy position  
to all delegates.

4.2 Emergent positions arising  
after the deadline for  
submission of emergent  
issues will be addressed by  
the Policy Development  
Advisory Committee with a  
recommendation to the  
Executive Committee for  
disposition.

4.3 If the criteria defining an  
emergent position is not  
met, the matter may still be  
considered as an emergent  
position by the assembly if:

4.3.1 Consideration of the  
position is supported  
by a two-thirds  
majority of voting

#### Disposition of Outstanding Policy Positions

17. Disposition of outstanding policy  
positions shall be as outlined in Board  
of Directors' Governance Policy 10 –  
Association Policy Development  
Process, section 5:

10.5 Positions not dealt with by the  
scheduled time of adjournment  
on the last day of the General  
Meeting shall be referred  
automatically to the Board of  
Directors for such action as the  
Board is at liberty to take in  
accordance with Bylaw 8.2.7.  
However, these outstanding  
issues must be included on the  
agenda of the next general  
meeting.

#### Other Motion Proceedings

17. Other motion proceedings will be  
governed by Robert's Rules of Order  
and the Alberta School Boards  
Association Bylaws and Governance  
Policies.

# Proposed policy by ASBA Board of Directors

## 1P/FGM14: Excellence in Education

<p><b>Excellence in Education</b></p>	<p>Alberta’s locally-elected school boards are entrusted with the responsibility to deliver excellence in public education and to ensure all students receive the best possible education.</p> <p>As locally-elected governors of the system, responsive to their communities, school boards welcome further dialogue on how excellence can be assured in every classroom and how current barriers to excellence can be addressed proactively and collaboratively.</p> <p>The guiding principles, or lenses which guide school board advocacy with respect to transformation of the education system require that recommendations and resulting decisions:</p> <ol style="list-style-type: none"> <li>1. Are student-centered and provide enhanced opportunities for student success;</li> <li>2. Are financially sustainable now and in the future; and,</li> <li>3. Retain flexibility for school boards, as employers, to shape the delivery of education in order to meet the needs of their local communities.</li> </ol> <p>Where the attainment of excellence requires transformation, school boards require that such transformation meets the test of each lens.</p> <p>School boards support an education system that is committed to excellence at all levels – teachers, school and system administrators, school boards, and the government.</p> <p>School boards’ voices, which reflect and retain the central focus on what is in the best interest of all students, must be an integral and respected component of any dialogue on education in Alberta.</p>
---------------------------------------	--

### Background

This policy proposal has been adapted from the lenses and key messages which have informed various Alberta School Boards Association advocacy including:

- Task Force for Teaching Excellence

- Education Act and Regulatory Review
- Tripartite and Bargaining Model discussions

Consistent with Bylaw 8.2.7, which states that the Board of Directors “may adopt

policy positions on matters which arise between General Meetings and shall submit these for ratification at the next General Meeting”, the ASBA Board of Directors respectfully places this Association policy proposal before the membership for its consideration.

## 2P/FGM14: Weighting of provincial diploma examinations

<b>Weighting of provincial diploma examinations</b>	The appropriate weighting of Provincial Diploma Examinations is thirty percent (30%) of a student's final mark.
---	---

### Background

In 1984 the Government of Alberta implemented standardized diploma exams to be utilized for 30 grade level courses. The rationale was to certify the level of achievement for grade 12 courses and to ensure a provincial standard was upheld. The mandatory exams, which currently count for 50 per cent of a student's final grade, generally lower a student's average by 3.5 percentage points, according to Alberta Education.

[\(Weighting of Alberta diploma exams reconsidered, The Gauntlet – University of Calgary Student Newspaper \[2012\]\).](#)

Thirty years have passed since the implementation of this assessment format with some groups and parents appealing to government to reconsider the weight assigned to the diploma exam. In competing for and appealing to potential students, Universities determine their own entrance requirements, including the calculations which determine a student's admissibility. The University of Saskatchewan recently moved to allow Alberta students to use either their classroom grade or combination of their classroom and diploma score, whichever is highest (to increase the chance for acceptance), when applying for university admission. Other universities such as McGill and several major Ontario universities calculate entrance requirements by either upgrading Alberta

student marks or lowering student marks from provinces without provincial exams.

Diploma scores may appear high stakes for students wishing to pursue post-secondary education when requirements are becoming higher and availability to some programs is decreasing. In looking to the future it is acknowledged that post-secondary training will significantly impact future employability.

A seemingly disproportionate emphasis on one test, weighted equally with classroom assessment may seem incompatible with the assessment philosophies of Inspiring Education, which encourages students and teachers to take risks in learning, collaboration and assessment modalities. Standardized testing that includes such high value in determination of final grades seems incompatible with this new direction in education. Standardized testing can still play a role in provincial assessment, but the weight of examination needs to be re-evaluated.

### Additional information

Current ASBA policy on provincial diploma exams appears on page 16-2 of the ASBA Governance Handbook:

#### Provincial Diploma Exams

A significant portion of students' grades in subjects required for high school leaving credentials (diplomas), for scholarships, or for entry to post-

secondary institutions should be comprised of common provincial examinations.

Provincial diploma exams serve a useful accountability function, but that ranking of teachers, schools or school systems on the basis of exam scores is not acceptable.

There should be recognition that such exams cannot assess all important outcomes of the curriculum, and that at the individual student level, school-based marks and diploma exam marks may legitimately vary.

Decisions regarding diplomas, scholarships and post-secondary entry should take into account school awarded marks as well as marks on the provincial exams.

To the degree possible, the standards on provincial exams should be consistent from administration to administration and from year to year.

To the degree possible, examination administration timetables should support maximum flexibility in school and student timetables, especially as students increasingly engage in independent learning through technological and other means.

Given the high stakes nature of diploma exams for entry to post-secondary programs, Alberta Education should undertake periodic research to determine the degree to which exam scores are good predictors of subsequent success in post-secondary programs.

The design of provincial diploma examinations should provide for a balance of multiple choice and open-ended questions in all subject areas tested.

Examinations of the same subject should be written on the same day.

Diploma exams should not unduly erode instructional time.

Alberta Education should provide increased flexibility in scheduling of the writing of diploma exams to allow, at minimum, exams to be written in December and May, in addition to the current schedules.

### **Additional information**

Historically, Alberta had Grade 12 exit exams weighted at 100% from 1905 until 1972. From 1972 until 1982 the exams had no weight and teacher marks carried 100%. The decision made to return to Grade 12 examinations was due to public unhappiness with teachers' grading practices, as grade inflation became problematic.

The decision to move to 50/50 weighting was based on a survey of the public by Dr. Gene Ratsoy at the University of Alberta and was voted on by all stakeholder members of the Minister's advisory committee.

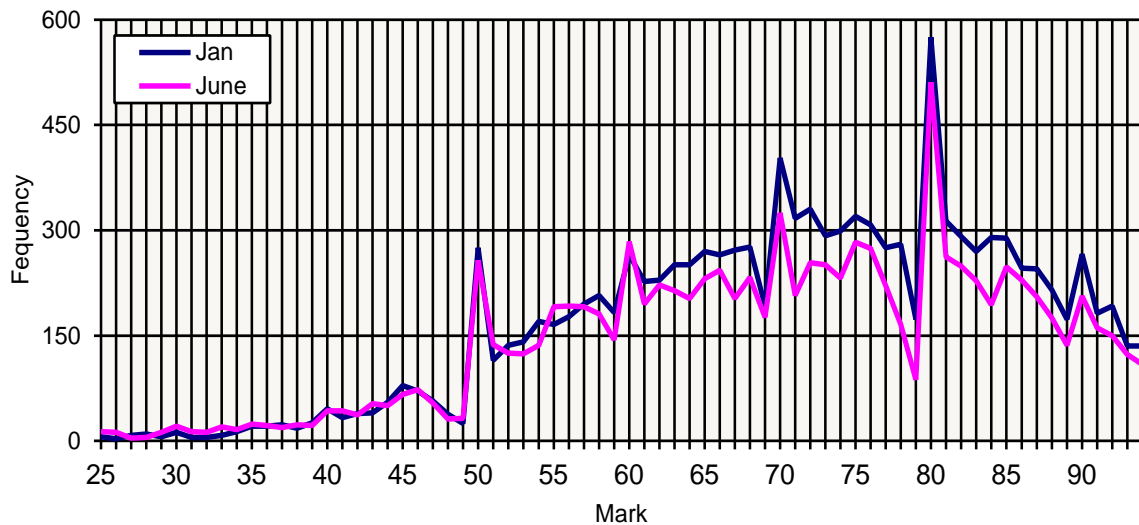

At issue is that teachers' marking practices are neither standardized nor uniform, with significant variations in standards possible. Shifting to a greater weight of the teacher awarded marks may unreasonably benefit some students while disadvantaging others. Over time, this may lead to a further degree of grade inflation.

The following figures demonstrate the pattern of teacher awarded marks provincially.

Figures 1 and 2 highlight school awarded marks for Pure Math for the 2005 and 2008 diploma exam writings. The patterns which emerge remain for all diploma subjects used for any aspect of post-

secondary entrance; prior to spikes in school awarded marks there are significant dips in the numbers of awarded marks. These dips seem the result of a subjective decision on the part of teachers to raise school awarded marks to benefit students.

**Figure 1: School awarded marks – Pure Math (Jan and Jun 2005)**

**Figure 2: School awarded marks – Pure Math (Jan and Jun 2008)**

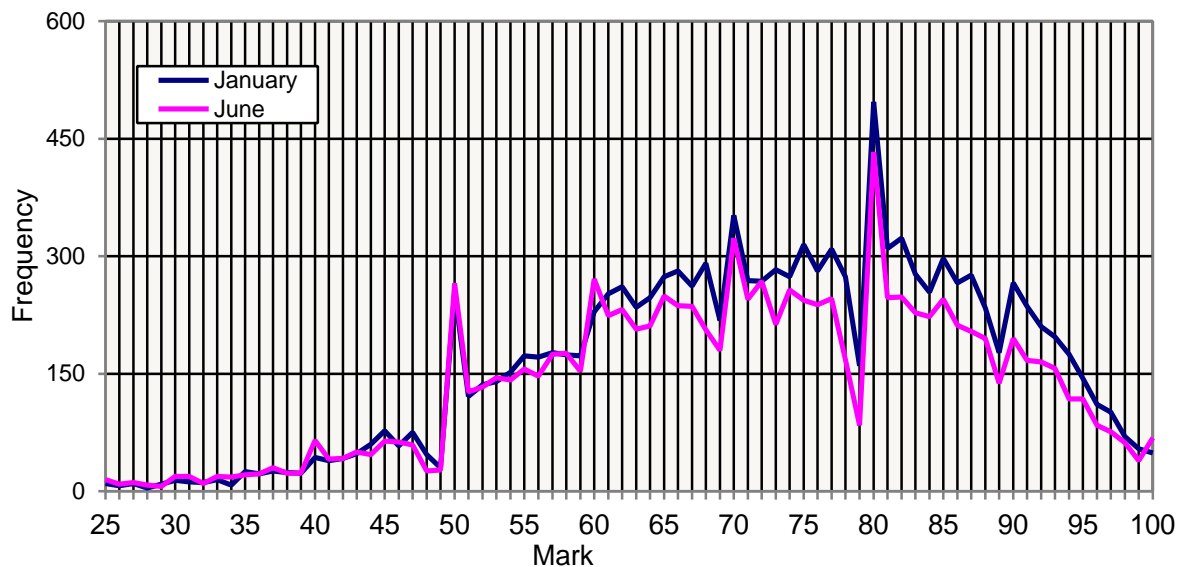

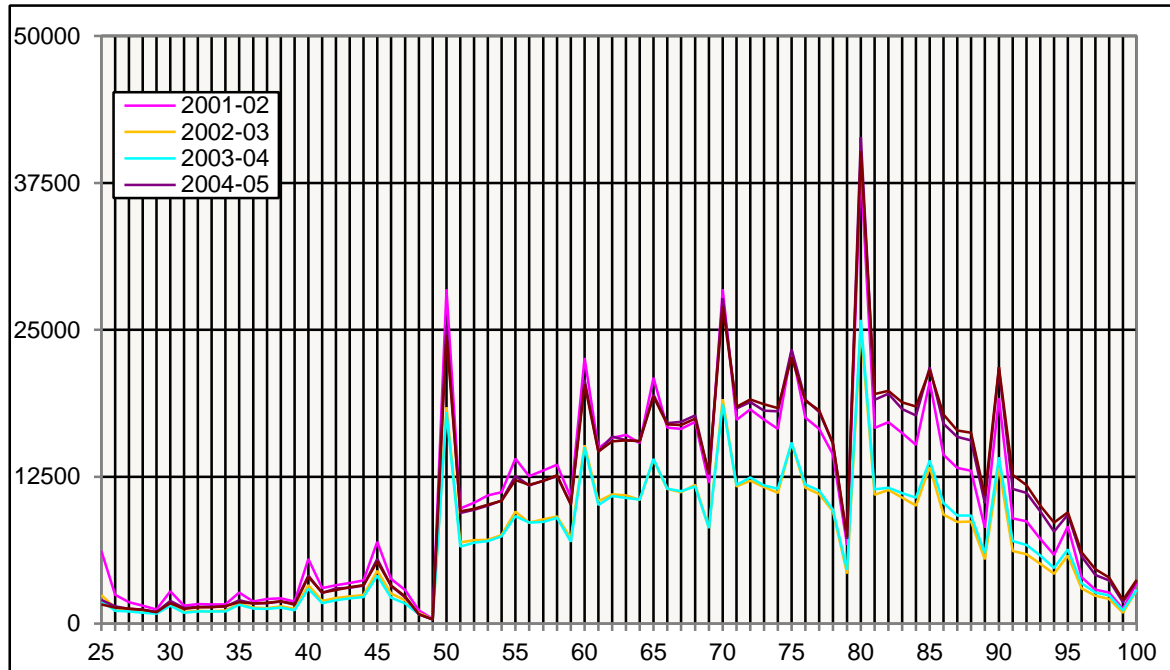

Figure 3 highlights that the same patterns exist for all high school subjects from Grade 10 through 12 (except CTS) and the patterns are repeated annually.

**Figure 3: Provincial, regular CEU-funded course mark submissions across years**

Also, Figures 1, 2, and 3 generally demonstrate a normal curve as would be expected for measuring student achievement. However the incredible departures from the curve in terms of spikes and dips are noteworthy (i.e. how vastly different the number of 80% marks awarded is from the number that would be predicted from the normal curve).

### 3P/FGM14: Needs-based funding for public rural schools

<b>Needs-based funding for public rural schools</b>	Public rural schools should be provided needs-based funding rather than per capita funding to ensure quality education within reason.
---	---

#### Background

Two studies completed since 2001 have pointed to the need for different funding for rural schools.

#### *Small Rural Schools – A Policy Perspective*

(December 2001) states that in rural schools there are:

- higher instructional costs because of lower student-teacher ratios (p. 28)
- higher student costs for Instructional Support Services (p. 28)

#### *Land of Opportunity –MLA Steering Committee Report on Rural Development*

(March 2004) states:

Funding formulas need to be adjusted to recognize the financial challenges facing small rural schools. Strict per capita funding puts small rural schools that do not enjoy economics of scale at a disadvantage. (p. 10)

The number of school boards facing rural school closures is dramatically increasing. Funding must be changed to ensure rural students receive a quality education, regardless of where they reside in our province.

Targeted grants which strive to alleviate some of the challenges do not adequately do so. The two reports previously referenced are now over a decade old, and rural schools face even greater challenges

now than when these reports were first introduced.

While the Alberta School Boards Association does not have policy which specifically addresses rural school funding, the following are current foundation and or policy statements of the Association.

A guiding principle of the Association ([ASBA Governance Handbook](#), p. xxvi):

School boards must have access to equitable long-term stable funding to fulfill the mandate of educating their students...

Association policy on adequate, stable, predictable funding ([ASBA Governance Handbook](#), Education Finance, p. 6-1)

Adequate, stable, predictable funding should be provided to meet the needs of public school students in ECS to grade 12.

Alberta Education, in consultation with the Alberta School Boards Association, should determine the adequacy of the base instruction grant for grades K - 12 and establish a basic level of education programming and adequate funding to support such programming for all students served by the public education system.

## 4EM/FGM14: Funding new school and modular start-up costs

---

<b>Funding new school and modular start-up costs</b>	Funding that will completely support all start-up costs incurred when opening new schools and modulars should be provided to school boards.
--	---

### Background

On October 8, 2014, Premier Prentice announced the latest phase in infrastructure announcements specific to new school buildings, modernizations and modular construction. Commencing with the initial announcement in 2011, Alberta will see the construction of 140 new schools. These announcements are an important step in beginning to address the infrastructure challenges that currently exist in Alberta's school districts.

An essential component, and substantial cost of the building of new schools is that of start-up costs. While there is funding supplied by the province for IT equipment and furniture, it is increasingly inadequate to cover the costs incurred. Further, there is no funding for instructional supplies and materials including textbooks, and no funding is supplied for the human resources costs to a district used in the facilitation of school construction. These include school administrators, who are assigned to schools for as long as a year ahead of school openings in an effort to prepare for staffing and program delivery. As an example, the Calgary Catholic School District has opened eight new schools since 2007, all of them K-6 or K-9. The total costs were over and above the funding supplied for start-up costs by the province by \$6.4 million.

Additionally, no funding for outfitting modulars is supplied by the province. Rather, these funds must come from current district operating budgets. As the province has made significant modular awards to districts, this is a significant issue. This amount has had to be supported through the use of operating funds or surplus and reserves.

This is becoming increasingly difficult to do. As districts struggle with declining reserves, this becomes a critical issue. This has been exacerbated by the direction of the former Minister of Education to utilize, rather than preserve, reserves.

A compounding issue is the recent, rapid succession of announcements, along with a provincial direction that these new schools be open as soon as possible. While this is a desired outcome from everyone's perspective, the scope and timeframe have created an emergent issue with respect to school districts' ability to meet this demand without provincial support.

As reserves have declined, it is very likely that, without adequate start-up costs to support these projects, districts will not have the funds needed to support this element of new school openings without a very negative impact to other areas of operations.
