- When a majority of the Trustees present feel it is appropriate to hold a meeting or sections of a meeting in-camera, the Board may, by motion, go into in-camera sessions (see in-camera sessions below). However, the Board, while meeting in-camera, has no power to pass any bylaw or motion apart from the motion necessary to revert to an open meeting.
- With the approval of the majority, the Board may change the day, time and location of its public meetings. Any changes would be noted on the District website.

Time and Location of Regular Meetings

- An act or proceeding is only valid if it is adopted at a regular or special meeting at which a quorum of the Board is present.

Electronic Participation of Trustees in Board Meetings

Attendance of all Trustees at board meetings is an expectation under the [School Act](#) in order to fulfill legislated responsibilities. The Board expects all Trustees to make attendance at the Board's meetings a priority. The Board believes that attendance of all Trustees at the board meeting place is important for the Board's processes by enhancing dialogue and modeling respect for the Board's governance role.

Should a Trustee be unable to be physically present at a meeting, the Trustee may participate in a specific item(s) at a board meeting or Committee meeting by using electronic means or other communication facilities in accordance with Section 71 of the [School Act](#) up to three times in a calendar year.

- The Trustee wishing to participate electronically must provide the Board Office with a minimum of one working day notice prior to the meeting at which they wish to participate electronically and a telephone from which contact can be made during the meeting.

- Costs incurred for long distance telephone service will be charged to the office of the Trustee(s) participating electronically.
- The Board or the Committee concerned will consider requests for exceptions from the above procedure when exceptional circumstances exist.
- Trustees participating electronically shall inform the Chair of their departure from a meeting, temporarily or permanently.

Agenda Preparation

In accordance with Board policy, Board motion, the strategic plan, practice and law, the preparation of the draft agenda for a regular meeting is the responsibility of the Superintendent of Schools, or designate.

A draft agenda is posted on the Board Intranet Site (BIS) eight (8) days prior to the Board or Caucus meeting for all Trustees to review. Trustees who wish to have an item added to the agenda are to contact the Board or Caucus Chair with their request.

The Board or Caucus Chair will provide changes and approval to the Executive Director Governance and Strategic Support Services prior to including in the Board information packages by end of day on the Wednesday preceding the board meeting.

Delivery of Agendas

- Material for board meetings will be posted on the Board Intranet Site (BIS) at least three days in advance of the meeting.
- A copy of the agenda for public meetings will be sent to the news media and posted on the District's website at least three days preceding the meeting.
- The Board and Caucus Committee will approve the meeting agendas at each meeting in the event there are changes or emergent items requiring discussion.
- Agenda materials that are not dealt with at a meeting will be added to the next meeting agenda.

5.2.2 Meeting Proceedings and Rules of Order

Robert's Rules of Order will govern the conduct of all regular and special meetings of the Board when not specifically covered by the following rules of order:

Chair

- The Chair will preside at all meetings, call the meetings to order at the hour appointed, and proceed with business.
- In the absence of the Chair, the Vice-Chair will preside.
- In the absence of the Chair and the Vice-Chair, the members present will elect another Trustee to act as Chair of the meeting.

Order of Business

The Board will deal with all matters properly brought before it, unless referred to a committee by a majority vote of the members present.

Motions and Recommendations

Board business is facilitated through group discussion, debate and voting on either individual Trustee motions or recommendations from the Superintendent of Schools or a Board Committee, which are submitted to the Board by a motion of the Chair or any other Trustee. Both individual Trustee motions and recommendations from the Superintendent of Schools or Board Committees are formal proposals that the Board or Administration undertake certain action. In both cases, no seconder is required ([School Act](#), Section 72).

Process for a Trustee to Initiate Action on Selected Concerns through Motions

A Trustee who has identified issues on which he or she wishes to initiate action is first encouraged to seek advice and assistance from the Executive Director Governance and Strategic Support Services. The Executive Director Governance and Strategic Support Services can assist the Trustee in exploring and furthering his or her understanding of district policies and practices related to the issue, potential implications of the proposed action, and what written background information might be appended in support of the motion to aid discussion and decision. The Executive Director Governance and Strategic Support Services can also help with suggested wording for a motion so as to ensure clarity of intent and direction and to achieve the desired action.

Notices of Motion

- Once crafted, a notice of motion is served at a scheduled meeting of the Board of Trustees during the regularly schedule agenda item "Notices of Motion" at the end of the meeting.
- By putting forward a notice of motion prior to the motion being read out and debated at a subsequent meeting, Trustees and stakeholders can reflect on the proposed action and consider the implications prior to a debate and decision.
- On occasion, timeliness may be a factor, and any Trustee can propose an action during a Board meeting by using the words "I move that...." If the motion introduces any new matter, of which no notice has been given at a previous meeting, any member may demand that notice be given. In this case, the motion will stand as a "Notice of Motion" for the next meeting.
- Alternatively, the mover can ask the Board to "waive notice of motion" so that the debate can happen immediately. Notice of motion can only be waived by a unanimous decision of the Board.

Debate on Motions

- At the meeting at which a motion is introduced, the motion must be stated before the Trustee who introduced the motion may speak on it.
- After any motion has been submitted, the Chair or any member may request that it be put in writing or be recorded before it is stated by the Chair.
- Once introduced, a motion will be voted on unless, with the permission of the Board, it is withdrawn by the mover.
- The Chair, or other presiding Trustee, may express an opinion on any subject under debate.
- The mover of a motion may speak first to that motion. Thereafter, each Trustee will have an opportunity to ask questions for clarification. Questions may be asked to the Superintendent of Schools at this stage through the Board Chair.
- When the Chair calls for formal debate, Trustees will have two opportunities to speak, for a maximum of three minutes each time. Permission to extend the limits of debate may be granted by the Chair if the majority of Trustees concur. The mover of the motion will be given an opportunity to close debate.
- Trustees, before speaking, should address the Chair or other presiding Trustees, and confine themselves to the question under debate.

- When two or more Trustees address the Chair at the same time, the Chair will identify who may speak first.
- While speaking, Trustees will not be interrupted except on a point of order or for the purpose of explanation.
- If any members transgress the rules, the Chair, or any other member, may call them to order. The members called to order will immediately be silent, but will be permitted to explain later. The Board, if appealed to, will decide on the case, without debate.
- As long as it does not interrupt a speaker, Trustees may require the question under discussion to be read at any time during the debate.
- While the Chair is putting the question/calling for the vote, Trustees may not speak or move about the room.
- Trustees may not speak after the question (call for the vote) has been put by the Chair.

Amending a Motion

During the debate stage, a Trustee may propose changes to the main motion by moving an amendment to the motion.

The motion to amend takes three basic forms:

- Inserting or adding words or paragraphs.
- Striking out words or paragraphs.
- Striking out words and inserting or adding others, or substituting an entire paragraph or complete resolution for another.

The proposed amendment is open for questions and debate prior to a vote being called on the amendment. Should the majority agree to the amendment, the new amended motion then gets debated and voted on by the Board.

Point of Order

The Chair or other presiding Trustee may be called on to decide a point of order or practice. The Chair will make a decision and state the rule applicable to the case. An appeal from the ruling of the Chair will be decided by a majority of the members present.

Voting on Motions and/or Recommendations

- Unless otherwise provided by the [School Act](#), all motions will be decided by the majority of the votes. In cases of a tie vote, the motion will be defeated. Every Trustee will vote on all motions unless excused by the Board. Trustees are not required to vote on a question in which they declare they have a special or personal interest. If that interest is in the nature of a "pecuniary interest" as defined in Section 80 of the [School Act](#), the Trustees are required under Section 83 of the [School Act](#) to disclose their interest and leave the room until the discussion and voting on the matter has been completed.
- The Chair will declare the result of all votes. The names of those who vote for and those who vote against the question will be entered in the minutes. If the vote is unanimous, the names will not be entered in the minutes.
- No member of the Board will have more than one vote.

Outcome of Motions

- If approved, the Administration under the direction of the Superintendent of Schools shall be responsible for implementing the intent of the motion.

Motions to Reconsider

- Trustees may not introduce or give notice of a motion to reconsider a motion passed previously by the Board during the same organizational year (September to September), unless a member voted for the original motion (or in the event that the original motion was defeated, a member who originally voted against the motion).
- A member who was not a member of the Board at the time of the passing or defeat of the original motion, may move to reconsider a motion.

Procedure

- The Chair will call a special meeting of the Board when any Trustee makes a request to the Chair by giving two days notice in writing (including e-mail), by having the request supported by at least four other members of the Board in writing (including e-mail), and by stating the special business necessitating the calling of such a meeting.
- Special meetings of the Board will be called by giving written notice to each Trustee either:

- The rules of order for a special meeting are identical to those for a regular meeting.
- Special meetings are open to the public and the news media.
- Public notice of the meeting is encouraged but not required under the [School Act](#).

5.4 Caucus Committee

Committee of the Whole (in-camera)

Purpose

The Board values transparency and accountability and believes that, to the greatest extent possible, its decision making should be conducted in public. There are, however, specific instances when the public interest is best served by private discussion in "in-camera" sessions.

The Board holds in-camera meetings to deal with land, labour and legal matters. The Board also gathers privately for professional development, reviewing the functioning of the Board, and for strategic planning purposes. The requirement for confidentiality of in-camera materials and proceedings is fundamental to protect individual privacy and the District's fiduciary and strategic interests. For this reason, all in-camera meetings are closed to the public and news media.

All recommendations from the Caucus Committee must be approved at a public board meeting prior to being enacted or implemented.

Expectations

1. In accordance with Section 61 of the [School Act](#), the Board delegates to the Caucus Committee the following powers:
 - a. Discussing and/or developing recommendations to Board on matters pertaining to:
 - the personal or proprietary information of an identifiable individual or group, including staff, students and parents;
 - labour relations and employee negotiations;
 - a proposed or pending acquisition or disposition of property;
 - law enforcement matters, litigation or potential litigation, including matters before administrative tribunals affecting the District;
 - the security of the property of the District;
 - the terms and conditions of a contract with the Superintendent of Schools in accordance with Section 113 of the [School Act](#).
 - b. Reviewing the functioning of the Board.
 - c. Developing advocacy plans to other levels of government and strategic planning activities.
 - d. Engaging in professional development.

2. The first order of business for a Caucus Committee meeting shall be approval of the agenda and confirmation of the items as appropriate for discussion in-camera.
3. All matters requiring Board decision arising from discussions in Caucus Committee shall be reported to a public board meeting for Board approval. Recommendation reports to Board shall contain sufficient background information to explain the recommendation and implications of the decision to be made with due consideration to protection of personal or proprietary information.
4. All agenda items and supporting materials on which motions and recommendations are based, and the substance of deliberations shall remain confidential, except when:
 - the Board of Trustees determines that the information should be submitted to a public meeting;
 - the Board of Trustees specifically authorizes its public release, or when legally required to release such information;
 - a motion of the Board of Trustees is required to release this information to any persons other than to the Board of Trustees, employees or agents of the Board who require such information to carry out their duties on behalf of the District.
5. The Caucus Committee may appoint a subcommittee of Trustees, or administrators, or other individuals to act on its behalf.

Quorum

The membership of the Caucus Committee is the full Board. A quorum is the majority of the Committee members. A quorum of the Caucus Committee consists of five (5) Trustees.

Rules of Order

- The Vice-Chair of the Board will serve as the Caucus Committee Chair, presiding at every meeting and will vote on all questions submitted. In the Chair's absence the Board Chair will preside. In the absence of the Board Chair, the members present will appoint one of their members to be Chair.
- The rules of the Board will be observed.
- The Committee submits its recommendations to the Board.

Confidentiality

All materials submitted and the substance of discussions held in Caucus Committee shall be treated as confidential by all Trustees and Administration in attendance.

The Audit Committee is part of a system of checks and balances and as guardian of the District's interests, assesses whether the organization is appropriately administering public funds.

Terms of Reference

The committee meets at least twice a year in-camera, generally once in the fall, and the second taking place later in the year.

1. The Audit Committee meets prior to the annual audit to:

The membership of the Audit Committee shall be comprised of:

- three Trustees, including the Board Chair

5.7 Board Reports, Enquiries and Requests for Information

5.7.1 Board Reports

Board reports are the instrument used to formally bring forward Board-related business on its meeting agendas. Reports may come from a Board Committee, a Trustee, or the Administration. Reports to be included on a meeting agenda are actively tracked and managed through the Management Activity Reporting System (MARS). The MARS report can be found on the Board Intranet Site (BIS).

There are three types of reports that may be presented for consideration at a meeting:

1. Recommendation Report

- Recommendation reports are used to seek approval by the Board on a course of action and should provide a level of detail to the Board.
- Recommendation reports are used by Board committees or the Administration.
- When a notice of motion is served by a Trustee, the motion is added to an upcoming Board/Caucus meeting agenda through a recommendation report. It is up to the individual Trustee what information, if any, they wish to include in the report.

2. Feedback Report

- Feedback reports are a special type of report used to initiate discussion, and seek input and direction from the Trustees.
- Feedback reports can be used by a Trustee, a Board committee, or the Administration.
- For more complex matters, the Administration will use a feedback report to signal that Trustee input, information or clarification is needed prior to determining appropriate options and/or developing a recommended course of action.
- Feedback reports may assist in narrowing down possible options before preparing a recommendation.
- This step is to enhance the ability to incorporate Trustees' view points and address concerns when developing recommendation reports.
- For feedback reports to be effective, it is important to clearly identify the questions for Trustees to answer and identify the areas that need clarification.
- Most recommendations do not require a feedback report before a recommendation being developed; however, it is strongly encouraged for complex issues to clarify Board direction.

- Trustee comments and suggestions, including those that had been previously submitted via e-mail will be considered by the Committee, Trustee or the Administration in the development of the final report coming to board.

3. Information Report

- Information reports may be used to communicate factual data or knowledge about a particular circumstance, event or activity that may be of pertinent interest to the Board.
- Information reports may be used to publicly notify the Board of key decisions already made or a direction already undertaken (by a Trustee, a Board committee, or the Administration).
- Questions and comments related to the information are permitted, but no decisions are required or expected.

5.7.2 Enquiries and Requests for Information

- In order for the Board to make informed decisions on matters brought before it and within its purview, the Board may request additional information from Administration.
- Trustees, in regular meetings of the Board or in a Committee, may make Requests for Information from the Administration relative to matters before the Board or which will be brought before the Board.
- Whenever possible, the Administration will attempt to answer Trustee questions and/or provide readily available information at the meeting at which it was requested.
- If the Administration is unable to provide the information at the meeting at which it was requested, the Administration will advise the Board whether the information can be made available and track the request. If there will be difficulty in providing the information, the Administration will seek clarification and advise what information could be made available within existing resources.
- Trustees may request for reports to appear as agenda discussion items for Board or committee meetings. Such requests should take the form of Board motions.
- If, in the opinion of the Superintendent of Schools, a Trustee request for information will result in a significant expenditure of time and resources, the Trustee shall be so advised and the Trustee may seek Board approval for the expenditure through a notice of motion.

- Informal requests for information outside of a board meeting may be made through the Executive Director Governance and Strategic Support Services who will determine with the Trustee, the intent, scope, specific information and process for initiating this request. The outcome of these requests will be based on providing the most efficient response time to all Trustees through an email or Transmittal Memorandum.
- Information requested by individual Trustees relative to the operation of schools and to educational matters not before the Board but within the Board's purview, should be prefaced with a rationale or purpose for the requested information to give context and assist in the Administration understanding of the request.
- The Board Chair may ask for reports necessary for the proper conduct of Board or committee meetings.

(Also see [Direct Requests of Administration - Section 9.2](#))

5.8 Meeting Packages and Materials

- Board meeting packages are posted on the Board Intranet Site (BIS) Thursdays. The meeting package for the public board meeting is also posted on the District website and provided to the staff group presidents.
- Trustees may preview dates of upcoming reports (MARS Listing) and the status for formal requests for information in progress, on BIS.
- As the Board Office operates primarily in a paperless environment, all meeting information and correspondence is posted electronically for easy access. Trustees who prefer using hard copies may download the information and print copies if they wish.

5.9 Seating in McCauley Chambers

- The Board table in McCauley Chambers has designated seating for the Board Chair, Vice- Chair and Trustees.
- The organizational meeting in election years will begin with the previous Board Chair and Vice-Chair (if re-elected) occupying their designated seats. All other Trustees will be seated in alphabetical order by ward starting with the first seat on the left as Ward A.
- Upon election of the new Board Chair and Vice-Chair, each will respectively occupy the designated places at the Board table and the previous Board Chair and Vice-Chair will assume the seats thus vacated. Adjustments to the nameplates and seating arrangements will be made for the next board meeting.
