

EPSB Infrastructure Planning Principles

1. **Accountability:** Infrastructure decisions shall be transparent, evidence based and reflect meaningful engagement with stakeholders.
2. **Centres for Educational Excellence:** Infrastructure assets shall serve as centres for educational excellence that meet the needs of district students, as well as their families and staff, where appropriate.
3. **Environmental Stewardship:** All decisions relating to infrastructure management shall demonstrate a commitment to environmental conservation and conform to best practices in minimizing environmental impacts.
4. **Equitable Access:** All students and staff shall have fair access to safe, welcoming, high quality learning and working environments that will increase their opportunities and decrease their vulnerabilities.
5. **Fiscal Responsibility:** Decisions on infrastructure shall consider long-term needs and current realities, and reflect effective management of district resources.
6. **Service to Community:** District infrastructure assets are public buildings intended to serve district students, families, and staff as well as the broader community where appropriate. Capital investment shall consider the demographics, long-term plans, and needs of the community.
7. **Supports for the Whole Child:** Space shall be available to enable partnerships with shared responsibilities to provide integrated services that support district students.
